

Walnut Ridge Community Association, Inc.

Annapolis, Maryland

February 25, 2022

Community Notice

Dear Walnut Ridge Homeowners & Residents,

Blades of Green Pest Control will be conducting monthly pest inspection and treatment services on the below dates for the remainder of 2022. Please mark your calendar and make sure that your gate is unlocked and pets are secured on the following dates (3rd Wednesday of every month):

March 16th
April 20th
May 18th
June 15th
July 20th
August 17th
September 21st
October 19th
November 16th
December 21st

Additionally, there is an ongoing issue with residents placing trash outside in bags. This practice is attracting vultures and rats to the community, especially on trash collection days.

Any trash that attracts animals, must be placed in a tied trash bag
INSIDE OF A TIGHTLY LIDDED TRASH CAN for collection.

If you have any questions, please contact Tamara James at Procom Management at TJames@procomgt.com or 410-721-0777 ext. 118.

Sincerely,

The Walnut Ridge Community Association, Inc.
